About

The Veterans Justice Partnership is a collaboration of community and criminal justice partners with the goal of helping veterans and service members in need. Based on the Mission Direct Vets Program, our mission is to provide veterans with access to information, resources and programs to help them make positive transitions and lead productive lives.

Purpose

The purpose of the Veterans Justice Partnership is to develop service and treatment options and, where appropriate, propose alternatives to incarceration. We coordinate services among treatment providers and the courts, attorneys, jails, probation officers and houses of correction.

Eligibility

- Any person with a history of military service
- Current involvement with the criminal justice system in Franklin, Hampshire or Hampden counties

Services

- Appear in court with veterans to provide information about resources, programs and treatment options
- Provide peer support to veterans involved in the criminal justice system
- Ensure veterans have access to all of the benefits available to them at federal, state and local levels
- Coordinate treatment with local and state probation and parole agencies to ensure seamless services and support to veterans
- Refer and link to services as needed including:
 - Medical and mental health care
 - Substance abuse treatment
 - Veterans services
 - Vocational and independent living skills programs
 - Transitional residence programs
 - Family support
- Coordinate 12 months of peer support
- Coordinate 12 months of case management
