

TEXTING A TIP WITH
PROTECT

IS SIMPLE, SECURE
AND ANONYMOUS.

- All tipsters are given an alias, so they can remain anonymous.
- A tipster's phone number is not known to the TipSoft system or to the local law enforcement agency.
- A tipster will maintain anonymous two-way communication with the local law enforcement agency.

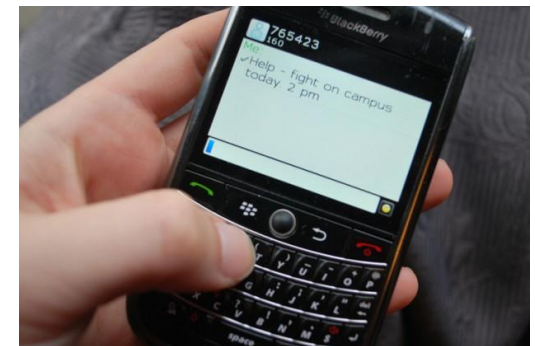

IT'S EASY TO
TEXT-A-TIP
WITH PROTECT.

Type PROTECT, plus your tip information in the message box of your phone.

1. Type CRIMES (274637) in the "to" box of your phone.
2. SEND your tip.
3. In a few seconds, you will receive a confirmation tip with your alias.
4. Delete your text (remember your alias).
5. Send additional information at any time, using your alias.
