

Financial exploitation of elders is the **NUMBER ONE** crime against elders prosecuted by the Northwestern District Attorney's Office.

SOME HELPFUL TIPS FOR ELDERS TO AVOID FINANCIAL EXPLOITATION

- Store all valuables in a safe deposit box or a secured lock box in your home.
- Never allow someone to withdraw money from your bank account for you, or use your credit/debit cards unless it is **trusted** member of your immediate family or friend.
- Shred all nonessential paperwork, such as bank statements, that may contain personal information.
- When appointing a Power of Attorney or other Fiduciary - **trust but verify**. Appoint someone you trust and make sure they know your wishes. Avoid a person who mismanages their own funds.
- Beware of any get-rich-quick schemes, IRS phone calls or investment opportunities. Avoid registering for sweepstakes, free vacations.
- **NEVER WIRE MONEY** to individuals claiming to recover lost monies, for a lottery or for a loved one who is "in jail."
- **NEVER GIVE YOUR PERSONAL INFORMATION OUT OVER THE PHONE!**

If you believe these things have happened to you or are a victim of theft, report the incident to your local Police Department.

Senior Outreach and Education The TRIAD Program

As part of the EPDU, the TRIAD program plays a major part in linking community partnerships. TRIAD is a community policing initiative between seniors, law enforcement and service providers to increase safety through education and crime prevention. Its goals are:

- To reduce criminal activity which targets older Americans
- To alleviate seniors' fears of victimization, build confidence and improve the quality of life
- To enhance delivery of law enforcement services to older persons

TRIAD is implemented by a S.A.L.T. (Seniors and Law Enforcement Together) Council which may be composed of:

- Seniors
 - Police, sheriff, and the district attorney
- ⇒ Protective service personnel

For information on TRIAD in your community, or how to begin one, please contact (413) 586-9225. Please see the TRIAD page on our website at ***NorthwesternDA.org***

Crimes Against Elders

As the elder population continues to grow, crimes against elders will continue to increase in numbers and complexity. The EPDU staff is trained and prepared to respond to the special needs of the elder population and to ensure equal access to the criminal justice system, focusing on the investigation and prosecution of crimes committed against persons who are sixty years of age or older including, but not limited to:

- Financial Exploitation
- Sexual Abuse
- Physical Abuse
- Caregiver Neglect

Crimes Against Persons with Disabilities

The EPDU is dedicated to assisting victims of abuse who have disabilities. The EPDU staff is trained and prepared to respond to the special needs of persons with disabilities so as to preserve the person's dignity and trust, as well as to ensure equal access to the criminal justice system, focusing on the investigation and prosecution of crimes committed against persons with mental illness, mental retardation and physical disabilities, including, but not limited to:

- Sexual Abuse
- Physical Abuse
- Caregiver Neglect
- Financial Fraud
